Practical 4:

*What does your
data say about you?*

Week 14: 1st Dec

Fall 2020

Oliver BONHAM-CARTER

04_Practical Source Code

- Christian Lussier's activity repository:
- <https://github.com/lussierc/qazplm>
- Pull your clone:
- `git clone git@github.com:lussierc/qazplm.git`
- Google Spreadsheet:
https://docs.google.com/spreadsheets/d/11KEex7QNXOqKhE-nQtkl5_tfjOIAzmmh_OLIZn8G2vhg/edit#gid=0

THINK

04_Practical: Submission Repository

- GitHub classroom link to practical:
<https://classroom.github.com/a/LWgY5CJp>
- Copy the directory from your sandbox into your practical repository to submit;
04_practical/04_practical.md
- Work individually or in a group.
- Submit your practical for a check-mark grade by 12:00pm on Thursday: 3rd Dec 2020

THINK

An Analysis of You

After completing the activity today, please respond to the questions in **04_practical/04_practical.md** using clear and meaningful language.

Please be sure to copy this directory into your practical repo to submit.

- **Git Commands**

- git add -A
- git commit -m ``Your notes about commit here"
- git push
